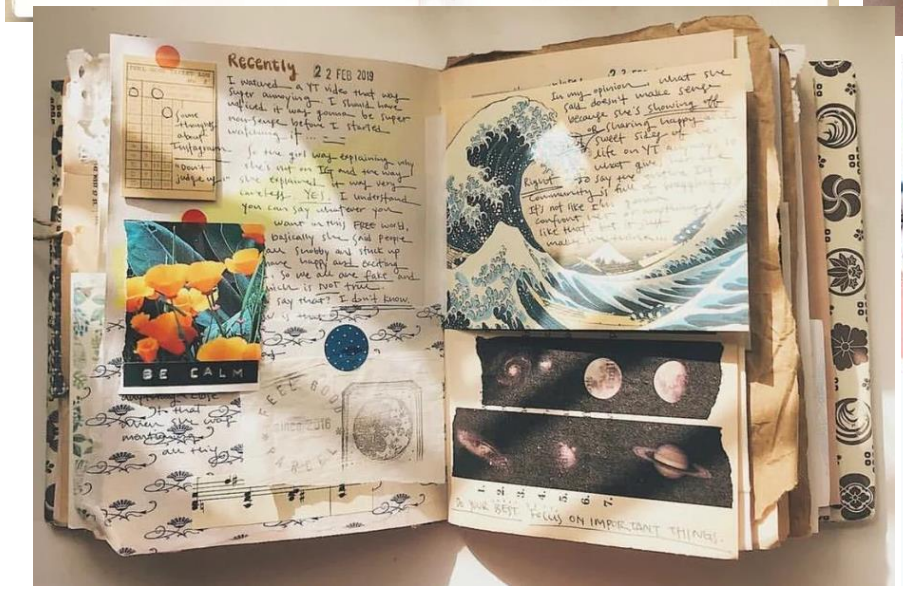
Summer Journal



Over the summer holidays record observations, memories and experiences in a small sketchbook. This should be no larger than A4.

This SHOULD include:

- Drawings/paintings from observation in any media

And COULD include:

- Writing, poems, memories, observations/ general thoughts.
- Keepsakes, receipts, ticket stubs, postcards
- Photos
- Ideas, doodles, more creative expressive drawings not from observation.

Bring your sketchbook to the first art lesson after the holidays.

You will use this in the first lesson as a 'getting to know me' prompt and to demonstrate your skills to your art teacher.

We can't wait to see you and learn about you and your long summer!

Ms Wardle & Mrs Bird
