

October 2021

Dear Parent/Carer,

**Online Employer Panel
13th October 2021 – 1:45pm**

As part of our careers provision in school we will be running a live online employer panel session with Clipper Logistics. Clipper is one of the largest retail warehousing and logistics companies in the UK and a growing employer in Sheffield. Over the next few months Clipper are looking to employ a range of new staff members at their Sheffield facilities.

If you are interested in finding out more about these future employment opportunities we would like to invite you to log on to this session. Although primarily aimed at widening our pupil's knowledge of different employers and job roles in Sheffield, this session will cover some of the upcoming employment opportunities the company has to offer and how to express an interest.

To join the session just click the link below:

Clipper Logistics Online Employer Panel

13th October 2021 – 1:45 – 2:45pm
