

## YOU ARE INVITED TO JOIN!

This interactive Q&A session will allow students, parents & carers the opportunity to ask business volunteers from the centres about:

- Job roles
- Routes to employment
- Skills needed to succeed in a particular role
- Explore current work opportunities at Clipper
- Learn about Clipper's apprenticeship and graduate schemes

## EXPLORING ROLES IN LOGISTICS

The logistics sector is an exciting and varied sector with roles ranging from IT support to health and safety and warehouse operations.

This careers panel will enable students & parents to understand the variety of roles available and routes available in to them.

Clipper Logistics has been a leader in retail logistics for more than two decades, operating in over 46 sites in the UK and mainland Europe, and employing a workforce of over 4,700. In Sheffield, Clipper Logistics runs the base for online fashion retailer, Pretty Little Thing amongst other household brands such as John Lewis.
