

10th December 2021

Dear Parent/Carer,

As we approach the end of term I wanted to write to you with some important updates and information you will need for our return to school in January 2022.

Week commencing 4th January 2022 – Testing in School

We will be offering one lateral flow test in school to all pupils in the first week back, we will then revert back to pupils testing at home twice weekly. We have been advised by the DfE that schools need to gather consent again even if this was given last academic year. Please use the link below to register your consent:

[Forge Valley School – On-site Testing – Consent Form](#)

If you have any concerns about the testing or are struggling to perform the testing at home then please contact the school; we will be happy to answer your questions.

We encourage all pupils to be part of the testing but it is completely voluntary. You may withdraw your consent at any time by letting the school office know by email – enquiries@forgevalley.sheffield.sch.uk

Yours faithfully,

Mr D Barrowclough
Headteacher
