1. Aims

This policy aims to:

- To promote a positive school image
- to encourage self-esteem in pupils by reducing competitive dressing;
- to prepare pupils for the expectations of employers with regard to standards of dress.

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- [School Admissions Code 2021](#)

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

This policy complies with our funding agreement and articles of association.

4. Uniform Cont.

The guidance on the wearing of jewellery has been determined by our Health and Safety Policy and our obligations under anti-discrimination legislation. We ask that pupils and their parents remain aware that school dress, including the wearing of jewellery and make up should reflect what is considered safe, professional and appropriate in a wider context. All jewellery must be removed for PE.

We retain the right to determine what is acceptable and individual cases will be referred to the Headteacher for a final decision.

We are a place of learning and the progress of pupils and their safety informs everything we do.

We clearly encourage ethnic pupils to continue to wear cultural dress to school but would ask that they conform to the school colours.

Any pupil who does not conform to the school uniform policy, will be dealt with within the normal structure of disciplinary procedures and parents will be contacted. Pupils, where appropriate, will be sent home to change into school uniform.

If pupils do not have the correct uniform at home, the school may provide the correct uniform items if available. If we make items available to your child, you will be contacted to ask if your wish to purchase this item. Please see the current charges for items which can be provided.

Forge Valley Uniform items:

Trousers & Skirts	£8
Shoes	£14
Ties*	£5.50
Shirts	£6
Tights	£1.50

Stationery

£1.50

Pupils who refuse this will be sent home to rectify their uniform issue.

* All pupils borrowing a school tie must return it to pupil reception at the end of the school day or the beginning of the following school day. Failure to do so will result in parents being charged £5.50 via ParentPay.

Affordable Uniform

Forge Valley understand that some parents need to source a cheaper school uniform for their child. The British Red Cross charity shop on Middlewood Road, Hillsborough sell second hand items of school uniform at a more affordable price. Please ask to see the range of Forge Valley School uniform when visiting the store as they only have a few items on display; the rest is kept in stock.

As always, should buying school uniform be a financial hardship and prevent you from buying the necessary items for your child, please contact the school at enquiries@forgevalley.sheffield.sch.uk

Please see the enclosed examples of uniform which are permitted and which items Forge Valley School do not permit pupils to wear.
