March 2024

Dear Parent/Carer,

Y11 Easter Revision Sessions

As you know the school is focused on preparing our pupils for the upcoming examination periods. Therefore, I am writing to you to inform you of a number of revision days for Year 11 pupils to be held at Forge Valley during the Easter holidays.

The purpose of these is to aid pupils in their preparation for the forthcoming GCSE examinations which begin on Tuesday 7th May 2024, please see the school website for further details under the 'News, Events and Key Dates' tab. During the days over Easter, pupils will have the opportunity to work, with teachers, in small groups, focusing on key areas of the curriculum.

Each subject area will be sending invites via MCAS message or email so please keep an eye on these communication channels over the next week as different subjects and teachers are providing different sessions and some are choosing to do so later in the academic year where possible. I attach a general guide with personal invites to follow. Pupils shall also be told in lessons.

Pupils may wish to bring a packed lunch, drinks and snacks as there will be no catered food available in school. Pupils attending any of these days will not be expected to wear school uniform.

I hope that you will encourage your child to attend these important events.

Prior to the Easter break I shall also be sharing a revision guide for all pupils. This shall include detailed tasks for all pupils to do as part of their revision with direction to the appropriate resources. From speaking with pupils and families we know that this resource will help guide pupils in how to effectively revise at home.

Yours faithfully,

Hh Jakla
