We have carefully considered and analysed the impact of all school policies on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

2) Purpose of the policy

The centre is committed to ensuring that the examinations/assessments management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This policy will ensure that:

- all aspects of the centre's process are documented, supporting the centre's contingency plan, and other relevant exams-related policies and procedures are signposted
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the examination/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff, shared via email and stored in an accessible online folder.

3) Roles and responsibilities overview

[\(GR 2\)](#)

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/ assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting published JCQ regulations and awarding body requirements.

The **examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre must not normally appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan.

4) Head of centre responsibilities

(GR 1)

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of the current [General Regulations for Approved Centres](#) (GR) booklet. In particular, heads of centre must familiarise themselves with paragraphs 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service. Failure to do so could result in the centre not receiving or being able to access question papers and other confidential assessment materials. Ultimately, awarding bodies could withdraw approval of the centre.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments.

(ICE Introduction) **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the [Instructions for conducting examinations](#) document.** Failure to do so may constitute malpractice as defined in the JCQ document [Suspected Malpractice: Policies and Procedures, 1 September 2024 to 31 August 2025](#).

(GR 5.1)

The head of centre must ensure:

- compliance with the published JCQ regulations and awarding body requirements to deliver the qualification(s)
- appropriate controls are in place which ensure accurate data is submitted to the awarding bodies by the required deadlines, e.g. entries, internally assessed marks
- all reasonable steps are taken to respond promptly to requests for information or documentation made by an awarding body or regulatory authority

Head of centre

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ documents including:
 - [General Regulations for Approved Centres](#) (GR)
 - [Instructions for conducting examinations](#) (ICE)
 - [Access Arrangements and Reasonable Adjustments](#) (AARA)
 - [Suspected Malpractice - Policies and Procedures](#) (SMPP)
 - [Instructions for conducting coursework](#) (ICC)
 - [Instructions for conducting non-examination assessments](#) (NEA)
 - [A guide to the special consideration process](#) (SC)
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements and/or practical assessments
- Where/if using a third party to deliver any part of a qualification (including its assessments) at the centre:
 - maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements
 - has in place a written agreement with the third party (unless exclusions apply) to ensure there is a shared understanding of the arrangement and will manage the risk of failure by the third party to deliver the expected service
 - ensures that a copy of the written agreement is available for inspection if requested by the awarding body
- Ensures that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service, understanding that failure to do so could result in penalties (see **National Centre Number Register and other information requirements** section)

- Ensures that the centre promptly reports any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment delivery, such as a cyber-attack
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications (including third party applications)
- Ensures members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with the names, addresses and contact details (including email addresses) of examiners, moderators, external verifiers and any other awarding body examining/assessment personnel/JCQ personnel

4.1) Resilience and contingency arrangements

(GR 3.16-19)

The centre must ensure they are familiar with the regulators' guidance on ensuring resilience in the qualifications system. Centres should consider putting in place a process for gathering evidence of candidate performance in line with the published guidance.

The centre must have an up to date written contingency plan.

The contingency plan must cover all aspects of examination/assessment administration and delivery. Senior leaders must have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo (or equivalent role), examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems.

As part of their contingency plan centres must identify an alternative site if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different Year Groups.

The centre must have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre must ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Centres must implement appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks.

4.2) Cyber security

(GR 3.20-21)

The head of centre must ensure there are procedures in place to maintain the security of user accounts by:

- providing training for authorised staff on the importance of creating strong unique passwords and keeping all account details secret
- providing training for staff on awareness of all types of social engineering/ phishing attempts
- enabling additional security settings wherever possible
- updating any passwords that may have been exposed
- setting up secure account recovery options

- reviewing and managing connected applications
- monitoring accounts and regularly reviewing account access, including removing access when no longer required
- ensuring authorised members of staff securely access awarding bodies' online systems in line with awarding body regulations regarding cyber security and the JCQ document *Guidance for centres on cyber security* Authorised staff will have access, where necessary, to a device which complies with awarding bodies' multi-factor authentication (MFA) requirements.
- reporting any actual or suspected compromise of an awarding body's online systems immediately to the relevant awarding body

It is the responsibility of the **head of centre** to ensure that the centre:

4.3) Recruitment, selection, training and support

(GR 5.3)

- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Ensures that teaching staff do not use artificial intelligence (AI) as the sole means of marking candidates' work
- Enables the relevant senior leader(s), the examinations officer (EO) and the SENCo (or equivalent role) to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the centre, and ensure compliance with the published JCQ and awarding body regulations

- Ensures that the examinations officer understands relevant awarding body and JCQ documentation and has sufficient time to perform their role
- Ensures that any member(s) of the senior leadership team who are responsible for examination administration familiarise themselves with relevant awarding body and JCQ documentation (This will ensure the examinations officer and the SENCo (or equivalent role) are supported as well as ensuring effective centre decision making in line with the published regulations)

 - any members of centre staff who are taking a qualification at this centre which includes internally assessed components/units*
 - any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records (that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected) of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at this centre or other centres
- centre staff are taking qualifications at this centre which do not include internally assessed components/units*

The centre will ensure that all candidate data where required by the awarding body has been supplied to the awarding bodies within the terms of the General Data Protection Regulation, the Data Protection Act 2018 and the Freedom of Information Act 2000, and that candidates have been properly informed that this data has been transferred to the awarding bodies (see section 6, for more information)

[TSAT Data protection policy.pdf](#)

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be considered regarding sharing information with parents, as example information from the DfE (Department for Education) for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility

It must also acknowledge the use of AI (e.g. what AI is, when it may be used and how it should be acknowledged, the risks of using AI, what AI misuse is and how this will be treated as malpractice).

5) Access arrangements and reasonable adjustments

([GR](#) 5.4)

The head of centre/senior leadership team will:

- appoint a SENCo (or equivalent role), or an equivalent member of staff, who will coordinate the access arrangements process within the centre and determine appropriate arrangements for candidates with learning difficulties and disabilities, candidates for whom English is an additional language, as well as those with a temporary illness or temporary injury
- ensure that learners have the correct information and advice on their selected qualification(s) in an accessible format and that the qualification(s) meet their needs (The recruitment process must include the centre assessing each potential learner and making justifiable and professional judgements about the learner's potential to complete the examinations/assessments successfully and achieve the qualification(s). The centre's assessment must identify, where appropriate, the support that will be made available to the learner to facilitate access to examinations/assessments)
- recognise its duties towards disabled candidates, including private candidates, ensuring compliance with all aspects of the Equality Act 2010⁺, particularly Section 20 (7) (This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates. Where the centre is under a duty to make a reasonable adjustment, the centre must not charge a disabled candidate any additional fee in relation to the adjustment or aid)
+ for any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect
- ensure that the SENCo (or equivalent role) undertakes the necessary and appropriate steps to gather a picture of need and demonstrate normal way of working for a private candidate such as a distance learner or a home educated student (The centre, where required, must lead on the assessment process. The candidate must be assessed by the centre's appointed assessor. In some instances, depending on their needs, the candidate may have to be assessed away from the centre, for example at home. The centre must comply with the obligation to identify the need for, request and implement access arrangements)
- ensure that where a candidate with a learning difficulty requires an assessment of their needs, they are assessed by an appropriately qualified assessor as appointed by the head of centre (Evidence of the assessor's qualification(s) must be obtained before they assess candidates and held on file for inspection)
- have a written process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ document *Access Arrangements and Reasonable Adjustments*

5.1) Access Arrangements Policy

Our Access Arrangements Policy can be found on our SharePoint,

[Examination Access Arrangements Policy 2024-2025.docx](#)

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it would be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with [GR \(5.4\) Access arrangements and reasonable adjustments](#)

Such a policy would also provide the opportunity to record the qualification(s) of the appointed assessor(s) and that the correct procedures are followed

- assist the awarding bodies in the discharge of their duty to make reasonable adjustments by requesting access arrangements, where required, and fully support the SENCo (or equivalent role) in effectively implementing those arrangements once approved

6) Malpractice

[\(GR 5.11\)](#)

The centre will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after assessments have taken place
- inform the awarding immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation
- as required by an awarding body, ensures evidence of any instances of alleged or suspected malpractice (which includes maladministration) is gathered in accordance with the current JCQ document *Suspected Malpractice - Policies and Procedures* and provides such information and advice as the awarding body may reasonably require
- [\(GR 6.2\)](#) Ensures any person involved in administering, teaching or completing examinations/assessments is advised that where malpractice is suspected, or alleged, personal data about them will be provided to the awarding body (or bodies) whose examinations/assessments are involved. Personal data about them may also be shared with other awarding bodies, the qualifications regulator or professional bodies in accordance with the JCQ document *Suspected Malpractice – Policies and Procedures*

7) Personal data

Unauthorised items

Arrangements for unauthorised items taken into the exam room

In the examination room candidates must not have access to items other than those stated in the instructions on the question paper, the stationery list, or the specification for that subject. Ideally, all unauthorised items are left outside of the examination room.

Any pencil cases or water bottles taken into the examination room must be see-through and any labels must be removed.

Any unauthorised items that have been taken into the examination room must be placed out of reach of the candidates (and not under their desks) before the examination starts. We have a box at the front of the exam hall for any unauthorised items to be stored in for the duration of the exam. Candidates are responsible for handing any unauthorised items over to the invigilators before the exam begins.

If candidates have access to unauthorised items in the examination room this may be considered as malpractice. They could be subject to penalties in accordance with the JCQ publication Suspected Malpractice in Examinations and Assessments: Policies and Procedures.
