

March 2025

Dear Parents / Carers,

Y11 Preparation for success in Examinations
Easter Revision Sessions
Mock Results Event
Revision Guide

Our focus as a community is firmly on preparing our pupils for the upcoming examination period. We are really proud of the approach most of our learners took to the GCSE mock examinations. At this stage of their school lives, it is essential that all pupils attend their key final lessons, arrive to school on time and make the most of the learning and revision opportunities available to them.

I am writing to you to inform you of how we will support pupils to maximise these opportunities. During the Easter holidays, a number of **Easter Revision Sessions** for Year 11 pupils will be held Forge Valley. The purpose of these is to aid pupils in their preparation for the forthcoming GCSE examinations. These Easter revision sessions begin on Monday 31st March 2025, please see the school website for further details under the 'News, Events and Key Dates' tab. Each subject area will be sending invites via MCAS message or email; please keep an eye on these communication channels over the next week as different subjects and teachers are providing different sessions and some are choosing to do so later in the academic year where possible. I attach a general guide with personal invites to follow. Pupils shall also be told in lessons. Pupils may wish to bring a packed lunch, drinks and snacks as there will be no food available to purchase in school. Pupils attending any of these days will not be expected to wear school uniform. I hope that you will encourage your child to attend these important events.

Please also find attached a revision guide for all pupils. This includes subject-specific guidance and weekly tasks for pupils to complete as part of their revision with direction to the appropriate resources.

From speaking with pupils and families we know that this resource will help guide pupils in how to effectively revise at home.

Yours faithfully,

H Smith
